He was sent to Eureka, SD, to do plot farming, where he planted 1/4-acre plots of different kinds of seeds, then sent the college reports on the production of each. From there they moved to Leola, SD, where Ben ran a large ranch for a man by the name of Nickerbacker. They lived there for a couple of years, then moved to Hilland where Ben purchased a farm in 1910. Ben and Katherine decided they didn't like the dry weather as he could never raise anything. Because of that they moved machinery, stock and furniture by train back to Brookings, SD, and farmed there until 1916, then moved back to Fosterburg. In 1926 Ben retired and he and Katherine moved to Alton. While living in Alton Ben was baliff in a courthouse in Edwardsville. Stories told by Eunice: Mother bought a new tricycle for Ralph and hid it in the barn loft until Christmas. Roy found it and a friend rode the tricycle until Christmas. When Mother went to give it to Ralph for Christmas it was half worn out. I came home from school one day early and thought no one was at home. I started to undress in the bedroom and heard a growl and a short time later I heard another noise. I went and got the gun and stuck it under the bed and a voice said HA-HA! . . . It's me, Roy!! Ralph and Roy went hunting one day and brought back a skunk. They remembered that skunk oil was supposed to be organically therapeutic and good boot oil. The trick was to keep the meat separate from the fat. Anyway they left their boots outside after oiling them. On Saturday night the smell wasn't so bad, so they went to town to see a movie. It got hot in the movie theatre and the boots started to smell. Everyone in the movie theatre left in panic.
